2.1.1.6 HA Companian App

Home Assistant also comes with a beautiful application. It is basically a must have !! This allows you to manage your home or building from a distance effectively without opening up any laptop or PC. The buttons created in HA are sweetly responsively translated to your phone. In this page I describe a couple of things that might be handy for users

Pinch to zoom

If you have pictures in one of your dashboard you might like the functionality pinch to zoom. This basically allows you to zoom into a picture inside your companian app. To do this go to

Settings -> Companian App -> Select Pinch to zoom
